"All the world's a stage, and

They have their exits and

their entrances;

And one man in his time

How true that all the world is a stage! And the stage for four years has been to us the campus of Lenoir Rhyne. We are the blood of this stage—and we, as students, make Lenoir Rhyne the purposeful institution she is. Here we have played many parts — freshman, sophomore, junior, senior, scholar, athlete, clown, friend, mate. We are invaluable to her growth, her educational developments, her hopes and aims for a better society. Some of our performances here have been commendable while others not so praise-worthy — but all our roles have provided us richly and rewardingly with knowledge to have and use; memories to bless and burn; friends to love and trust.

The curtain will presently fall to end the play that began in 1952. No one will deny this was a hit; but now let us preview the current cast and play itself — presenting

This is The Scene of Events

WHERE WE HAVE TREKKED. Within these HALLs, CAmpus, and WALLs are living memories, and these memories all mirror a prosperous 1955-1956. The hopes and prayers for expansion began to materialize: A successful campaign for \$1,500,000 was experienced; construction on the auditorium and gym was begun; a \$147,000 gift from the Ford Foundation was received; new teachers came while our "old" ones were away better preparing themselves to help us. Educational advancement was ours. We strode high in other fields . . . One of Dr. Keiser's debaters became the United States national champion in extempore speaking; his debate teams kept up the good work that began many years ago; the Playmakers gave a pleasing presentation of "The Heiress" to first-nighters;

Coach Stasavich with his assistants guided our football team to the North State Championship, and a triumph in the second annual Palmetto Bowl . . . Our social life was highlighted by a dance by nationally prominent bandleader Buddy Morrow . . . The effectiveness of religious organizations was seen: the Religious Council did a remarkable job, as usual, in the preparation and presentation of Student Services and Religious Emphasis Week . . . The Chapel Committee offered us many excellent speakers . . . The year 1955-1956 was a joyous, prosperous, wondrous addition to our life. The memories will linger . . . As we recall this past year, let us as Dr. Cromer wrote earlier, "Rejoice, give thanks, and march on!"

PRESIDENT'S MESSAGE

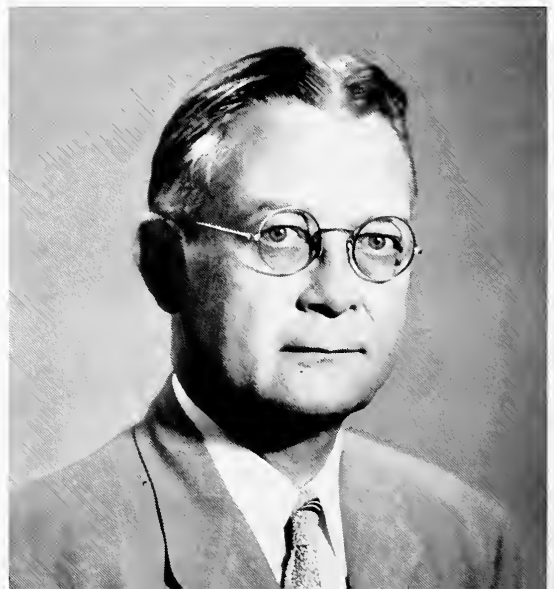

Here at Lenoir Rhyne we have been partners in the thrilling enterprise of learning how to live completely. While helping us to develop intellectually, socially and spiritually, our College had entered a new period of development. The years 1955 and 1956 have ushered in a vigorous program of expansion for finer service. Visible evidences are beginning to appear in the form of new buildings.

You of the present student body have contributed valiantly to this surge forward. Members of the Class of '56 have rendered conspicuous service in the movement "For a Greater Lenoir Rhyne."

May the years ahead find you and your Alma Mater ever rising to higher levels of achievement and service. With this fervent desire I count it a joy to be Lenoir Rhyne's servant for your sake.

Student Government

The Student Government members are elected by the Student Body. This group is the heart of the students, and the secret of the success of their governing lies in the co-operation of the students with the elected officers to enforce the rules and regulations as set forth in the Constitution. When they fail, it is usually because we fail them.

Under the leadership of President Dave Wright, the Cabinet initiated an orientation program for the freshmen; appointed a day student adviser to the Cabinet; sold blazers on campus; published a day student newsletter; presented in chapel programs dealing with the honor system; continued work on a new Constitution.

These are some of the major highlights of this year's student government, but they busied themselves with many other matters. It was a progressive year!

1956

ALL'S WELL THAT ENDS WELL! . . . Four illustrious years—all highlighted by different, pleasing, trying, difficult situations and people . . . Our drama opened in 1952, and each scene, each act was packed full of "firsts". Not soon will we forget that first week on campus: Did we have a lot to learn! . . . Our first college class—so many profs and which room? . . . Our first college dance, football, basketball, baseball . . . And as the years passed we became less green . . . Our "run" became shorter and shorter; we realized that our work and play would soon end and would we be better in moving on to a larger stage or would our performances not have mellowed? . . . These four years — three to some — have all been too short, but they hold many memories. Looking back on this last year of ours we see: Homecoming . . . we won a prize . . . Sadie Hawkins Day . . . more money than we ever expected . . . Career Conference . . . Turkey Day . . . Christmas . . . with those long two weeks . . . Exams . . . Semester's end . . . We began to get things in order . . . March, April, and May . . . Graduation: The closing of our play . . . And as we leave, we say goodbye to the wonderful, wonderful LR years — which were to some AS YOU LIKE IT, to others THE COMEDY OF ERRORS . . . See you in 1961.

The understudies for the leading roles found in the year 1956 "sweet love! sweet lines! sweet life!" . . . A year in which uncertainty began to fade, yet, the future cannot be wholly revealed . . . The goal is now only one year off . . . Perhaps the realization that you get MEASURE FOR MEASURE became sensed . . . To "play out the play" was certainly a theme for the class that found in this year all the excitement and work needed to have a full and endearing memory . . . Homecoming . . . ROBIN HOOD . . . Jr-Sr Banquet and Dance . . . classes . . . games . . . They play no more the part of an imperfect actor . . . One more role is required before they take that final step onto the great stage—Life. May they accept the coveted role of Senior with dignity, honor, and a sense of responsibility that will make their last performance at Lenoir Rhyne one to be joyously remembered.

The greenness of the Freshman worn off, the Sophomore became a Pharisee of knowledge — a pedantic. The role of “domineering lord” over the frosh helped make up for the humiliation they had received from the class of 1957. To some, this year was the perfect time to make sport of everything; to others it was just another stepping stone to the goal which was not many years away. To strive, to seek, to find, and not to yield: If they could but hold this before them always, they, as you and I, could portray the sensitive role of student, of citizen throughout life . . . This is an outstanding class . . . remember, sophs, you can make it WHAT YOU WILL!

The newcomers to the scene had a great amount of sense, but they certainly made MUCH ADO ABOUT NOTHING . . . This first year was an exciting role to add to the list . . . They learned "the ropes" pretty soon . . . They enjoyed . . . the pep rallies, Homecoming, big dances, Turkey Day, professors, Sunday dinners and "bags," class meetings, "The Treaty of Westphalia," each other, upperclassmen, — most of all — the feeling of just belonging and being part of one big family.

The lovely bunch of girls here just for one year found it awfully hard to cram four years into one . . . Their year was filled with once, now and forever memories . . . it was business five days a week . . . The days came and went . . . It seemed they had just gotten here when it was time to drop the curtain on their very short play . . . The things they did and the friends they made will remain forever fresh in their memories. The whole year was a combination of MIDSUMMER NIGHT'S DREAM and WINTER'S TALE . . .

The Playmakers

Lights! Curtain! Action! These are all familiar terms to Playmakers. This year we saw the curtain rise on the period play, THE HEIRESS, which proved to be quite successful. Suzanne Covington, Jim Reinhardt, Ken Phillips, Billie Sue Brown, and Janice Shreves were the principal "emoters," while back-stage work was accomplished under the fine guidance of Bill Trull.

More work goes into playmaking than generally meets the eye, but Playmakers seem to thrive on hard work. Under the direction of Brad Arrington the Playmakers strive for deeper appreciation and higher entertainment in the theatre.

A Cappella Choir

What would a campus be like without music? . . . An anthem drifting from the church . . . a beautiful rendition by the choir . . . a fast beat from the football field . . . a dreamy number from the gym . . . an off-key try from the shower . . . How much music adds to our life!

We are unusually proud of our nationally known A Cappella Choir directed by Professor Kenneth B. Lee.

Each year the Choir presents on tour a program of sacred music. In April, the Choir left for a tour of some Southern states.

While the yearbook tries to present the highlights of the year, the paper endeavors to report a week's happening at the time. Sometimes this is exciting and sometimes it isn't. It takes a lot of work for the paper to put out just one issue, and if there is little news that job is all the harder; but under

the leadership of Bill McCullough and able help from Isenhour, Grissom, and excellent writing by Warlick the paper has been highly commendable. The entire staff has certainly done its part . . . FOR A GREATER LENOIR RHYNE.

BEAR TEAM FINISHES SEASON WITHOUT DEFEAT . . .

The Lenoir Rhyne Bears enjoyed their most successful season since 1952. They ended the season with 9-0-1 record, wound up with the North State Conference championship, and was victorious over Newberry in the second annual Palmetto Bowl played in Columbia, S. C.

At the beginning of the season the Bears were not looked upon as the team they actually were. They were picked for no better than the bottom half of the standings. Coach Stasavich with the aid of Coaches Painter and Erwin took the team, practiced it hard, showed them

how, and the players, in turn, showed everybody else how.

The Bears opened the 1955 season with a crushing defeat against a hapless Newport News Naval School team. Bubbling over with power, the Bears moved the ball 302 yards on the ground while the Shipbuilders were held to 38 yards via that route. The endseason form shown by the Bruins gave Coach Stasavich a chance to look over his new prospects and reserves.

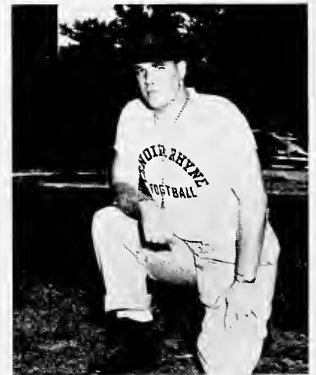

The Bears gained sweet revenge by reversing last year's

losing score of 7-6 with the Pirates of East Carolina. Scoring early on a pass from Ackard to Cline, the Bears added the extra point which was the deciding factor of the game. The Bears then set up a powerful defense to hold the Pirates until late in the game when they scored, missing the extra point.

Returning to the rain-drenched College Field, the LR charges encountered the ever-tough Newberry Indians. As the first half drew to a close the Indians held a slim 13-7 lead. The Newberry line and hard charging backfield seemed too much for the smaller Bears, but after a slow third quarter during which neither team threatened, Bill Ackard took a short punt and raced for his second TD of the contest. The conversion was wide and the game ended in a 13-13 stalemate.

The following week the Bears met ASTC at Boone. The arch-rivals, Lenoir Rhyme and Appalachian, provided the most thrilling contest of the season as the LR gridders moved closer to the North State championship with a 26-13 victory. Unleashing their powerful attack early in the first quarter the Bears scored twice to stun the Apps into eventual submission. The Teachers fought back valiantly, but to no avail as the LR charges scored again in the second and fourth quarters.

Homecoming Day at Lenoir Rhyme drew to a successful close as the Bears racked the Guilford Quakers to remain undefeated. Long runs of 92, 88, 65, 61 and 54 yards were recorded as LR's fleet-footed backs and hard charging line combined their talents to "Mow" the Quakers by a 34-13 margin. Coach Stasavich once again took advantage of the situation and gave his regulars a rest and tried out his reserves.

After a slow start the big Bruins completely overpowered the Catamounts of Western Carolina to emerge victorious to the tune of 26-0. As the gun sounded the end of the first half, the Bears held a narrow 7-0 lead, however the charges of Coach Stas were not satisfied with the score and scored thrice in the final half of the contest. The Bear line, as was the case all year, held the opposition to little yardage while the gridders of LR rolled up 259 yards on the ground and 103 through the air.

Before a capacity crowd of 5,000 at Emory's Fullerton Stadium the Mountain Bears ruined a perfectly beautiful homecoming for the Wasps of Emory and Henry by grinding out a 20-9 win.

The fired-up Wasps quickly gained the lead with a field goal and TD to hold a decided advantage of 9-0 at the close of the first quarter.

Overlooking the nine point deficit, the Bears scored twice in the second frame to go ahead 13-9. The Bruins scored once again in the final quarter as Bullard galloped 66 yards for his second TD of the afternoon.

Back at College Field after a successful road trip, the Bears then faced Elon who hoped for an upset and were given a good chance to do so by many sports writers. The LR squad, however, didn't see it that way and proceeded to rack up an easy 28-0 victory over the Christians.

The Bears racked up 373 yards on the ground which was the season's high and held mighty Elon to 67 yards on the turf. As the statistics show, the defensive measures used by the Bears caused the Elon club a little trouble as they crossed the midfield strip into Bear territory only three times.

The last scheduled game, as always, was played Thanksgiving Day with Catawba. A capacity crowd of 8,500 turned out for the annual contest which was held at College Field in Hickory.

Bears Gain North State Crown In Easy Triumph

Lenoir Rhyne dominated the ball the entire game scoring almost at will, while the Catawba Indians managed to score once in the second quarter.

Cornwell and Bullard gained 299 yards between them while Cornwell scored three TD's. On that hot afternoon in November the final score read 34-7.

After taking the North State crown the Bears were invited to participate in the second annual Palmetto Bowl which was held in Columbia. Their opponents were the only team to mar an otherwise perfect record—Newberry.

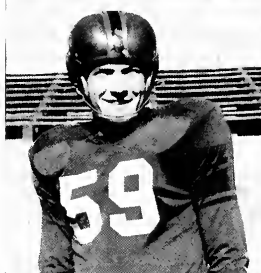

The game was played in the same fashion as the previous one, with one exception. LR started scoring first. The Bears jumped in the lead and held off many scoring threats, but the Indians were not to be denied. Each team scored two TD's but the accuracy of Gene Frye could not be dealt with. Final score Lenoir Rhyne 13, and Newberry 12. Thus ended a highly successful season of football at Lenoir Rhyne College.

To top a brilliant season, Lenoir Rhyne placed five men on the 1955 All-Conference Team. Harold Bullard was a unanimous choice, with Walt Cornwell, Gene Frye, Dick Gantt, and Arden Ray being the other members. Coach Clarence S'asavich was selected as the North State Coach of the Year. Later in the season it was announced that Bullard and Ray had been chosen for the All-State first team. Guard Ray was also selected on a Little All-American team.

Basketball . . . 1956

The 1955 Bears roared on once again under the capable guidance of Coach Jim Hamilton. The men on the hardwood opened the record book and literally re-wrote it by breaking nine records, seven of which were taken care of personally by All-American Raeford Wells. The Bears finished the regular season with a string of twenty victories and the unofficial championship. Going into the tournament at Lexington, the Bruin cagers shared the spotlight with Atlantic Christian. After mowing down several teams the Bears moved into the finals only to meet defeat at the hands of Atlantic Christian.

Opening the book on the 1956 campaign we find the Bears with a 12-4 record with six remaining games to be played. The Bears lost two of those four games before Christmas, which is the identical procedure of last season.

After the holidays the battling Bruins, having gained needed experience and reserve strength, displayed fine college basketball winning five of the last nine contests. Eastern Carolina, the Bears' nemesis, took a thriller by winning the contest in the last several seconds.

The last game covered for this year was the Western Carolina game which the Bears won 115-83. The Bears set a new scoring record breaking the previous record of 113 points in a single contest.

With the added strength and experience Coach Hamilton's Bears will prove to be a mighty outfit for the remainder of the season and will be a serious threat at the tournament in Lexington.

COACH MAC ERWIN

Baseball . . . 1956

Coach Mac Erwin's defending North State Champions once again fielded a fine club despite needed depth and inexperienced players. Although the Bears of '55 didn't finish on top, they played well and displayed a good brand of baseball at all times. Coach Erwin shuffled his lineup many times to come up with a winning combination and his efforts proved successful frequently through the season.

Providing the offense for the Bears were Joe Buff, Virgil Whitley, Jim Kimmell, and Paul Conner with Buff hitting a sharp .396. Defensively, Whitley, Conner, and Buff stood out. Hugh "Buzzy" Peeler took top honors on the mound with a 4-4 record and an earned run average of only 3.88. Walt Cornwell, Fritz Apple, Harold Bullard, and Roland Barker also turned in good mound performances.

This spring the Bears are expected to improve upon their '55 record and once again be in line for top honors in the North State Conference. Added experience plus more reserves and depth should prove to be the "shot in the arm" for the '56 Bears.

LITAKER, LAWRENCE,

The Lenoir Rhyne tennis team after several years of mediocrity suddenly sprang forth and ran up a startling line of victories and finished second in the conference. This was quite an improvement over the won-lost record of last season.

The Bear netmen under the supervision of Coach Jim Hamilton showed plenty of determination and with a year's experience and four returning lettermen the netmen exhibited a lot of fine college tennis.

The tournament at Elon found Captain Jack Daughtery and Charles Litaker advancing to the semi-finals in singles competition. Robert Dasher and "Shorty" Falls competed in the doubles division.

The entire varsity earned a letter which is accomplished by turning in one conference victory.

The Track team under the coaching of Bill Brandon didn't fare too well in 1955, but at press time this year indications were that they would be hard to handle.

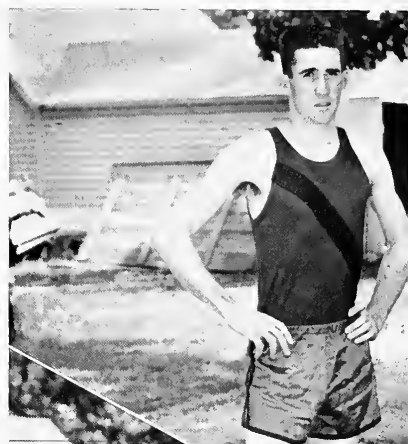

At the tournament Lenoir Bhyne placed fourth, but although the team did not gain distinction as a champion, freshman Bob Mydock turned in a sparkling performance and broke two records. He set the high jump at six feet, and the broad jump at 22 feet and 3 inches. Mydock was the only man to letter.

Women's Athletic Association

Sports for the fairer sex here at Lenoir Rhyne have somehow faded into the background; however, there are still a few young ladies who are interested in the type of recreation activity the WAA offers. The primary objective of the Association is to develop a person physically, mentally, socially, and spiritually by encouraging sports programs. Under the direction of Dr. Clyde Deans, the WAA participates in volleyball, basketball, soccer, tumbling, folk dancing and other sports.

The intramural program under the supervision of Coaches Hamilton and Erwin provides good entertainment and keen competition for athletic-minded men on the Lenoir Rhyne campus.

Teams from each of the fraternities and the two men's dorms constitute the intramural league. Anyone is eligible to participate if he does not play on the varsity or

junior varsity in the particular sport being played in intramurals at the time.

Three major sports and five minor ones make up the program. Football, basketball, and softball are the major sports and badminton, volleyball, ping pong, tennis, and horseshoes are the minor sports.

The point system is used to determine an overall champion at the end of the year. In the minor sports one hundred points are given for first, 80 for second, 40 for third and 20 for fourth. Sigma Phi Epsilon, after a slow start won the championship for the second consecutive year with a record breaking 830

points. Theta Chi and Fritz Hall followed close behind in that order.

Harold "Shorty" Falls was selected to be the outstanding intramural player of 1955. This selection was based on participation and enthusiasm throughout the year.

Our Campaign for

A Proper Beginning!

a Greater Lenoir Rhyne

Forget the stage upon which our actors present their play? Never!

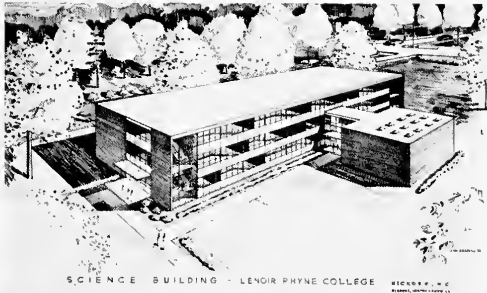

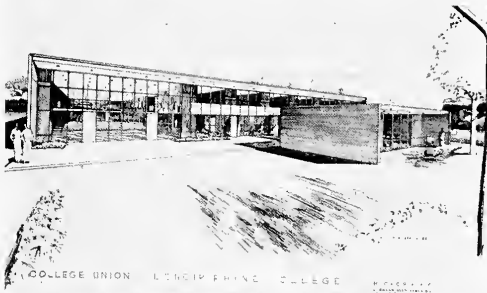

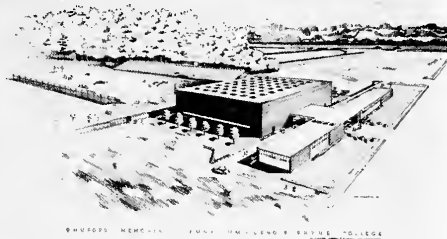

February 3, 1955 was a history making day on our campus at Lenoir Rhyne. On that day the curtain was pulled on a proposal for new additions to our present stage. An enthusiastic audience of LR students, Hickory citizens, North Carolinians, and others responded with an applause of approval. The prize winning slogan, "Hearts and Hands Together," led each participant in the expansion program to dig deeply into his pocket for increasing the set of educational opportunities at LR. In demonstration of their eagerness 98% of the student body pledged their support to the construction of our set.

A closer look at the new Lenoir Rhyne shows an addition of seven new buildings. They include an auditorium, music building, gym, science building, student union building, and a women's dormitory. To construct a setting for the years of plays to come requires many hours of hard labor, patience, and consistent support.

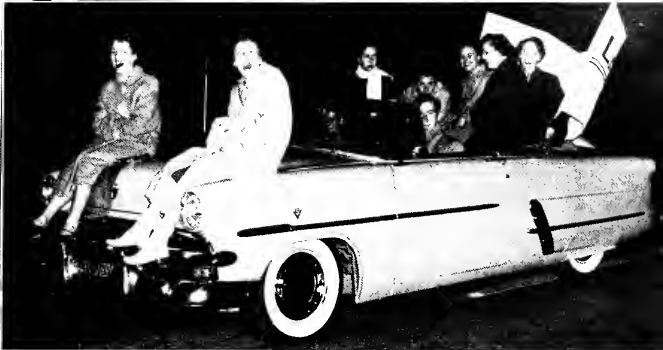

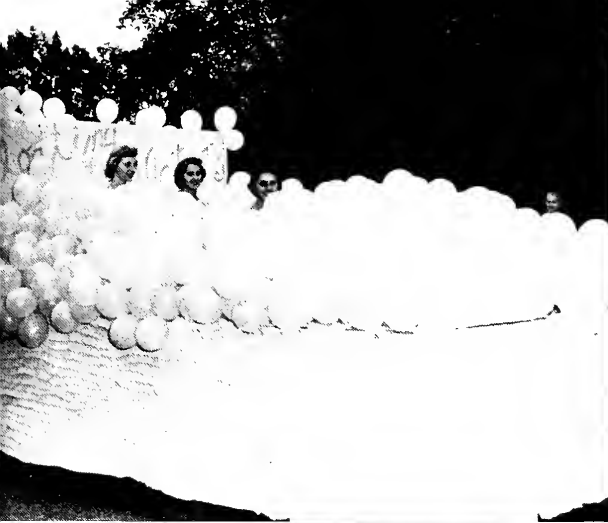

The audience of '55 was privileged to see the first act of the great program. The opening day, the actual campaign drive, ground breaking for two of the buildings, and beginning work on the auditorium and gym. The years ahead will fill in our play and the grand finale will not only show a finished set but the result of the faithfulness, hopefulness, and love of all who helped to build "A GREATER LENOIR RHYNE."

AND SO, AFTER ONE HUNDRED AND FORTY-ONE PAGES OF REMEMBERING, THIS PAGE brings to a close your HACAWA of 1956. We have tried to capture some of the things that will bring back happy memories. To the seniors who bring to a close their college days, we hope this issue of HALLS, CAMPUS, and WALLS will be treasured.

We have taken the privilege of taking one page of your HACAWA, and what we say is actually in fun.

Like most editors and staffs we were amused (?) at many people. At those who didn't keep appointments, or more, at those who didn't make any; at those who gave expensive suggestions; at those who reminded us that they were afraid they might not get into the yearbook because THEY had failed to send back their proofs; at all those silly people who asked what they should wear for pictures . . . we always suggested clothes!

Perhaps you will find mistakes . . . YOUR name may be misspelled . . . we no doubt have made many errors. We sought long and late into the nights for them. So we must ask for your bearing with us. However, YOU too made mistakes . . . mostly by your lack of cooperation.

As we sit here typing this last page of the 1956 HACAWA we feel rather selfish. All the kidding aside, the joy we have received from doing your yearbook can't be told. There were the hectic moments, but when they passed everything was fine . . . We hate to see it end. If you enjoy the results as much as we have enjoyed putting it together, everyone will be happy.

To everyone who did even the smallest favor we give our deepest thanks.

To the Schaeffer girls we thank especially for putting up with us, for feeding us, for sharpening pencils and sweeping floors;

To our photographer we sincerely thank for a swell job;

To Mr. Coursey, our engraver, and Mr. Keck, our publisher, we thank for being patient and understanding;

To Professor McCreary for advice, and Miss Barger for money we give special rejoicing;

To Mr. Aiken for his help in time of need we thank . . .

As Mr. Shakespeare, the Bard of Avon, once wrote, ". . . Parting is such sweet sorrow that I shall say good (day) 'til it be to-morrow."

Goodbye! We hope you have liked it!

DON'T GAMBLE With Your Eyes

Color and intensity of light affect us in many different ways. With proper light, we read quicker—more intently. We are fresher, have better dispositions—we "insure" our vision.

Planned light is economical, enjoy its luxury often.
